

Zebra 8" and 10" Tablet Docking Station

Holds your tablet safely in place and includes full port replication

Keep your 8" or 10" ET50/55 rugged frame tablet secure

Spring loaded hinges and dual locking latches make sure your tablet is kept in place. The steel and composite design reduces overall weight and offers rugged construction for durability. The dock has conformal coated electronics board to minimize the effects of dust and water ingress.

Port replication included

The dock features full port replication including Ethernet, a power supply, USB and HDMI ports. It also includes a built-in cable relief system to eliminate wear.
